

AMA Entrance Scholarship for Non-JUPAS Admittees

To give recognition to outstanding non-JUPAS students admitted to its full-time undergraduate programme, **BSc(Hons) in Data Science and Analytics**, the Department of Applied Mathematics (AMA) sets up a one-off entrance scholarship for outstanding non-JUPAS applicants.

Value

HKD10,000 per scholarship (one-off)

How can I apply for the Entrance Scholarship?

There is no need for students to apply separately for the Entrance Scholarship. The Department will identify outstanding non-JUPAS applicants and inform awardees after the commencement of the school term.

Selection Criteria

- All non-JUPAS Year 1 students admitted to the programme with adjusted GPA3.5 or above will be invited for a separate interview.
- Successful students will be awarded the above scholarship in the 2nd semester of Year One, provided that they have acquired good GPA in their 1st semester at AMA, PolyU.

Disclaimer: AMA reserves the right to change the terms or withdraw the above scholarship. In case of any dispute/disagreement, AMA's decision is final.
