For senior year BASW students only. If you're a Registered Social Worker (RSW), you may apply for exemption from taking APSS2701. Please submit the application form with a copy of Social Workers Registration Board (SWRB) current proof to Fieldwork Coordinator, via program clerk, for approval. Please do it before the end of add/drop period of each semester. Please submit the application ONE semester before your placement starts.

Nevertheless, exempted students are still required to attend "Administrative Briefing" (marked with △), in which the most updated fieldwork arrangement information will be introduced. You are also welcomed to optionally attend "Service Overview" workshop (marked with ◇) by interest. "Service Overview" workshop will cover service policy/nature and client needs/characteristics.
