Dear Student

### **2017-18 Student Handbook**

We are pleased to inform you that the 2017-18 Student Handbook is now available. You can access it from eStudent or directly at <https://www2.polyu.edu.hk/as/Polyu/STDHBK/Handbook1718/index.html>.

You are advised to read through the Handbook to get an overall picture of the regulations and procedures affecting your study at our University and to check from it for relevant information when you have questions on your study at a later stage.

For students who had read through the 2016-17 Student Handbook before, you are recommended to note the changes made in the 2017-18 edition which have been summarized for your easy reference.

We hope you would find the Student Handbook a useful guide. Please give us your views and suggestions on how we could further improve our future edition by completing the relevant questionnaire on the [web](#).

Wishing you a successful and fruitful year in 2017-18!

Academic Secretariat
