

World Sustainable Built Environment Conference (WSBE17 HK) Hong Kong Convention and Exhibition Centre (HKCEC) 5-7 June 2017

This international conference bringing together 1,800 green building advocates, policy-makers, academics, and industry practitioners from 55 countries. The three-day event included keynotes, plenary session on climate change and sustainable development, roundtable and over 100 parallel sessions, with an exhibition alongside. As one of the sponsors of the event, PolyU featured the “Green Deck” proposal at the exhibition, showing visitors an innovative solution to address problems in the area of Hung Hom Cross Harbour Tunnel plaza and the neighbourhood. The University also sponsored a parallel session on 6 June 2017 to facilitate sharing and exchange of ideas about the potential benefits and challenges of “Green Deck”.
