19 February 2010

News/Features Editor

Dear Sir/Madam,

Public Lecture on Building Confidence on Food Safety

I am pleased to let you know that the Department of Applied Biology and Chemical Technology (ABCT) of The Hong Kong Polytechnic University (PolyU) will host a public lecture on “Building Confidence on Food Safety Together: Roles of Government, Industry and Academics”. Details are as follows:

Date : 25 February 2010 (Thursday)
Time : 4:00 p.m.
Venue : Room M1603, 16/F, Li Ka Shing Tower, PolyU campus
Speaker : Professor Laurie Chan, Professor of Community Health and Dr Donald Rix BC Leadership Chair for Aboriginal Environmental Health, University of Northern British Columbia

The public lecture will highlight the health concerns on the safety of food supply and the many challenges faced by the industry and regulatory agencies.

Press members who wish to attend this lecture are kindly requested to complete the attached reply slip and send it to my office by 24 February (Wednesday).

A location map of the venue is attached for your easy reference. For further information, please contact Ms Venus Wong of ABCT on 3400 8784. Thank you.

Yours sincerely,

[Signature]

Wilfred Lai
Senior Manager, Communications and Public Affairs
