

# Home again to celebrate 10th year reunion

**N**early 400 alumni who graduated from the Hong Kong Polytechnic at least a decade ago had a happy reunion on 8 June to celebrate the 10th anniversary of their graduation.

Held at a gymnasium of the Shaw Sports Complex, the gathering was jointly hosted by the University and the Federation of PolyU Alumni Associations. Some of the graduates also participated in guided tours to take an up-to-date look at major campus facilities such as the Industrial Centre and the Multimedia Innovation Centre. The next alumni reunion dinner gathering for those who have graduated for 25 years or more is tentatively scheduled for 7 December. **T**he PolyU (Australia) Association has come into being after months of planning and preparation. Its first annual general meeting, held on 5 May in Sydney, was well attended by not only members residing in Sydney, by also those from other districts such as Western Australia, Victoria and Queensland.
