## **Prof. Raymond C. Chiang**

Prof. Raymond C. Chiang, Chair Professor of Financial Management and ex-Dean of the Faculty of Business and Information Systems, passed away on 12 August 2002.

Prof. Chiang joined the University in 2000 after having taught for many years at several universities in the US and Hong Kong. An internationally reputed scholar in the field of finance, Prof. Chiang had authored eight books and published numerous papers in leading journals in finance and economics. He was the Associate Editor of *Review of Pacific Basin Financial Markets and Policies* and *Pacific Basin Finance and Accounting Journal*, and served on the editorial boards of several other journals. Prof. Chiang also made his expertise available to both the public and private sectors through providing high-level consultancy services to financial institutions and government legislators in the Chinese mainland, Hong Kong, Taiwan, US and Vietnam.

Prof. Chiang is sorely missed by his friends and colleagues around the world.
