Canada and US

Deputy President Mr Alexander Tzang earlier made a special trip to Canada and the US to meet with members of two PolyU associations in Canada and a steering group in the States. He also took the opportunity to visit various prestigious universities to promote Hong Kong.

During his visit to San Francisco, Mr Tzang (front row, second from right) enjoys a happy reunion with overseas affiliates. The Convenor of the Steering Group in San Francisco is Mr Paul Lee Kai-yu (second row, fourth from left), former Director of Student Affairs of PolyU.

Australia

PolyU (Australia) Association organized a one-day tour to the Central Coast in late February to strengthen the network among its members.

Chinese mainland

To enhance mainland graduates' sense of belonging for PolyU, a dinner gathering was hosted by President Prof. Poon Chung-kwong in Hangzhou in late March. About 100 alumni and current students of the Zhejiang University-PolyU International Executive Development Centre joined the dinner. Prof. Poon took the opportunity to update participants about PolyU's latest developments.
