

# Mainland graduates and students get together

The University hosted the first-ever reunion dinner gathering for its mainland graduates and students in Beijing on 12 March. The happy occasion was graced by the presence of President Prof. Poon Chung-kwong and senior representatives of the University's six collaborating partners, i.e. Beijing International Studies University, Graduate School of the Chinese Academy of Sciences, Motorola University (China), Nankai University, Peking University and Renmin University of China.

To celebrate PolyU's successful partnership with Xi'an Jiatong University, another dinner gathering was held in Xi'an on 23 April.

Thanks to this partnership, the Xi'an Tongli International College has been established as PolyU's fourth and newest outpost on the mainland.

The University has further scheduled a dinner gathering for graduates and students in Shenzhen in June 2005. The event will also celebrate the 5th anniversary of the Hong Kong Young Industrialists Council Executive Training Centre (Shenzhen), which is a unit of the University's Shenzhen Research Institute.
