

Together we walk for charity

More than 800 members of the University once again showed their commitment to community welfare by participating in the Community Chest's Walk for Millions on 6 January. All dressed in red, the PolyU team set out from the Hong Kong Stadium, passed through Wong Nai Chung Gap Road, Black's Link, Aberdeen Reservoir Road and finished at Aberdeen Country Park Visitors Centre. The funds raised will be used to provide "Rehabilitation and Aftercare Services" through the Chest's member social welfare agencies and service units. This is the 16th year that PolyU has contributed its effort to the Walk.◆
