

Fun-packed gathering for alumni and friends

On 9 March, over 5,000 alumni, staff, students and their family members enjoyed a fun-filled afternoon on campus at the "PolyU Alumni Homecoming Carnival 2008" hosted by PolyU and the Federation of PolyU Alumni Associations (FHKPUAA).

Officiated at the Carnival's opening ceremony were Dr Ng Tat-lun, Deputy Chairman of PolyU Council; Mr Alexander Tzang, Deputy President; Dr Roy Chung, Chairman of PolyU Court; Prof. Kenneth Pang, FHKPUAA President; Mr Fan Siu-kay, FHKPUAA First Vice President; and Mr Alex Wong, FHKPUAA Second Vice President. Adding to the festive atmosphere were two beloved cartoon characters, McMug and McDull, which are creations of the University's design alumna Ms Alice Mak. The event also saw the inauguration of FHKPUAA's new term of Board of Directors.

This year, the event was further heated up with the staging of the "PolyU Alumni 3-on-3 Basketball Tournament" and the "Inter-Alumni-Association 7-a-side Soccer Competition", among other festive games, attractions and performances.

With the concerted efforts of over 200 volunteers from more than 30 departments and alumni associations, the event successfully contributed to the cultivation of close links within the PolyU community.
