

Long-serving staff honoured

About 150 staff members of the PolyU were publicly awarded on January 13 for their dedicated and loyal service of more than 15 years.

The long-serving staff, 39 of 25 years, 87 of 20 years and 28 of 15 years of service, were presented with the Long Service Award as a token of the University's sincere appreciation of their contributions.

Addressing the ceremony, President Prof. Poon Chung-kwong said, "We are indeed most fortunate in having a dedicated, adaptable and versatile staff force which has, in different ways, responded positively and constructively

to the challenges which the Institution faced over the years."

Prof. Poon stressed that the University had always treasured staff as its most precious resources: "The PolyU has introduced the *President's Awards for Achievement* since 1997 to honour

outstanding performers among our staff. This is one of our initiatives to promote and reward excellence in teaching, research and services to the University."

Prof. Poon added that the University had always placed considerable emphasis on staff development to enhance their level of academic attainment and research capability. He also urged staff members to participate

actively in PolyU matters and make full use of established channels to express their views and suggestions to the Management.

There are more than 1,500 staff members who have received this honour since the Long Service Awards Scheme was first launched in 1990. ❖

PolyU gives full support to charity

The University has participated in Walks for Millions organized by the Community Chest for seven years. The event, naturally, is a very meaningful one for PolyU members to contribute to the community. Besides, it also helps foster a strong spirit of unity among the staff, students, alumni and their family members.

This year the PolyU team of 900 members took part in the Hong Kong Walk on January 24. The enthusiastic support has translated into a total donation of more than \$230,000. The following were those who have gone the extra mile:

• Staff

largest team: *Industrial Centre*

top fund raiser (team): *Offices of the President*

top fund raiser (individual): *Prof. Poon Chung-kwong*

• Alumni

largest team: *Alumni Association of Nursing Studies*
