

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF INDUSTRIAL AND SYSTEMS ENGINEERING

Post Specification

Intern (two posts) (Ref. 11111703)

[Appointment period: each for eighteen months]

Duties

The appointees will assist the project leader in the project - “New development of gas hydroforming attachment for thermal hydroforming light metal tubular components”. They will be required to:

- (a) assist in preparing different specimens and performing essential tests; and
- (b) assist in developing a platform for data acquisition, analysis and validation.

Qualifications

Applicants should have a good honours degree in Engineering or Science or an equivalent qualification.

Preference will be given to those with proficiency in Putonghua and willingness to travel to the Chinese mainland.

Applicants are invited to contact Dr L.C. Chan at tel no. 2766 6634, fax no. 2362 5267 or email mflcchan@inet.polyu.edu.hk for further information.

Remuneration

Salary offered will be commensurate with qualifications and experience. Applicants should state their current and expected salary in the application.
