

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF BUILDING AND REAL ESTATE

Post Specification

Research Assistant (Ref. 12011001)

[Appointment period: twelve months]

Duties

The appointee will assist the project leader in the project - "Operatives' perceptions of workplace stress on Hong Kong construction sites: A study of individual and organizational levels". He/She will be required to:

- (a) administer the questionnaires and interviews;
- (b) process and prepare report; and
- (c) perform any other duties as assigned by the project leader.

Qualifications

Applicants should:

- (a) have a good honours degree in Psychology or an equivalent qualification;
- (b) have good knowledge of qualitative and quantitative data analysis;
- (c) have a good command of both written and spoken English and Chinese; and
- (d) be mature and competent to work independently.

Preference will be given to those with a demonstrable record in research publications.

A suitably qualified appointee who is able to propose an MPhil or PhD research topic in consultation with the project leader will be encouraged to register for a research degree in The Hong Kong Polytechnic University.

Applicants are invited to contact Dr Johnny Wong at tel. no. 2766 5565, fax no. 2764 5131, or email bsjohnny@inet.polyu.edu.hk for further information.

Remuneration

Salary offered will be commensurate with qualifications and experience. Applicants should state their current and expected salary in the application.
