

THE HONG KONG POLYTECHNIC UNIVERSITY

SCHOOL OF NURSING

Post Specification

Research Associate / Research Assistant (Full-time/Part-time) (Ref. 18071905)

[Appointment period: twelve months]

Duties

The appointee will assist the project leader in the research project - “Migraine features and cardiovascular risk profile in Hong Kong Chinese women: a prospective cohort study: a pilot study”. He/She will be required to:

- (a) assist in the implementation of the project;
- (b) conduct literature review;
- (c) perform data collection, data entry and basic data analysis;
- (d) draft reports for the project; and
- (e) perform any other duties as assigned by the project leader or her delegates.

Qualifications

Applicants for the **Research Associate** post should have a master’s degree in Public Health, Nursing or other health-related disciplines or a good honours degree in one of the said disciplines with at least three years of research/relevant work experience.

Applicants for the **Research Assistant** post should have an honours degree in one of the above disciplines or an equivalent qualification.

Applicants should also have:

- (a) knowledge of statistical software such as SPSS, STATA and R;
- (b) a good command of both written and spoken English and Chinese; and
- (c) good interpersonal and communication skills.

Preference will be given to those with experience in questionnaire design and validation.

Applicants are invited to contact Dr Y.J. Xie at tel no. 3400 3798, fax no. 2364 9663 or email yjxie@polyu.edu.hk for further information.

Remuneration

For full-time appointment, a highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.

For part-time appointment, the remuneration rates are HK\$162 per hour for the post of Research Associate and HK\$113 per hour for the post of Research Assistant.
