

# THE HONG KONG POLYTECHNIC UNIVERSITY

## SCHOOL OF NURSING

### Post Specification

**Postdoctoral Fellow** (Ref. 18072310)

**[Appointment period: eighteen months]**

### Duties

The appointee will assist the project leader in the research project - “Investigating the progression and risk factors for chemotherapy induced peripheral neuropathy” which aims at developing a programme of research in cancer symptom management, particularly in developing interventions for chemotherapy-related peripheral neuropathy, in Hong Kong and the Chinese mainland. He/She will be required to:

- (a) assist in the implementation of the project;
- (b) coordinate and implement activities related to the project and provide logistics support;
- (c) carry out systematic reviews;
- (d) draft progress reports for the project;
- (e) assist in conducting literature search and literature review;
- (f) assist in subject recruitment and data collection for the project;
- (g) assist in the application for external funding;
- (h) liaise with clinical parties and explore feasibility of clinical sites for recruitment;
- (i) assist in data analysis, drafting of reports and presentation of materials; and
- (j) perform any other duties as assigned by the project leader or his delegates.

### Qualifications

Applicants should have:

- (a) a doctoral degree or an equivalent qualification in Nursing or related disciplines and must have no more than three years of post-qualification experience at the time of application;
- (b) experience in coordinating research projects;
- (c) proficiency in SPSS and Microsoft Office software including Chinese word processing;
- (d) a good command of both written and spoken English and Chinese, with fluency in Putonghua; and
- (e) good interpersonal and communication skills.

Applicants are invited to contact Prof. Alex Molasiotis at tel no. 2766 6396, fax no. 2330 5140 or email [alex.molasiotis@polyu.edu.hk](mailto:alex.molasiotis@polyu.edu.hk) for further information.

### **Remuneration**

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
