

# THE HONG KONG POLYTECHNIC UNIVERSITY

## SCHOOL OF DESIGN

### Post Specification

**Research Associate** (Ref. 18100507)

**[Appointment period: eighteen months]**

### Duties

The appointee will assist the project leader in the research project - “Technology-enabled design intervention for behavioural addiction: family and personal approaches”. He/She will be required to:

- (a) conduct desk research, literature review, research design and project planning;
- (b) assist in conducting community design workshops;
- (c) prepare research tools and conduct specific survey and research;
- (d) conduct data collection, management and analysis; and
- (e) assist in concluding research findings and compiling process and project documentation.

### Qualifications

Applicants should:

- (a) have a Master of Philosophy degree in Industrial or Product Design or related disciplines, or a good honours degree in the said disciplines with three or more years of research experience;
- (b) be able to ideate, visualise and fabricate physical artifacts and designs;
- (c) have good awareness of design research and user research methodology; and
- (d) have a good command of both written and spoken English and Chinese.

Preference will be given to those with experience in conducting research and preparing research documentation.

Applicants are invited to contact Dr Kenny K.N. Chow, Mr Brian Lee or Mr Benny Ding Leong at tel no. 2766 5480, 3400 8270 or 2766 5458 respectively, fax no. 2774 5067 or email [sdknchow@polyu.edu.hk](mailto:sdknchow@polyu.edu.hk), [sdlee@polyu.edu.hk](mailto:sdlee@polyu.edu.hk) or [sdbenny@polyu.edu.hk](mailto:sdbenny@polyu.edu.hk) for further information.

### Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
