

THE HONG KONG POLYTECHNIC UNIVERSITY

SCHOOL OF OPTOMETRY

Post Specification

Research Associate (Ref. 18101106)

[Appointment period: twelve months]

Duties

The appointee will assist the project leader in the research project – “Myopia control using optimized optical defocus in schoolchildren – a randomized double masked control trial”. He/She will be required to:

- (a) undertake eye examination for young infants and children;
- (b) assist in myopia control clinical trial research;
- (c) perform optometric duties; and
- (d) perform any other duties as assigned by the project leader or her delegates.

Qualifications

Applicants should:

- (a) have a master’s degree in Optometry or a good honours degree in the said discipline with three or more years of research/relevant clinical experience in infant eye growth and myopia study;
- (b) be registered with the Optometrists Board of the HKSAR; and
- (c) have good communication skills.

Applicants are invited to contact Prof. Carly S.Y. Lam at tel no. 2766 6091, fax no. 2764 6051 or email carly.lam@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
