

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF CHINESE AND BILINGUAL STUDIES

Post Specification

Research Associate / Research Assistant / Research Technical Assistant (three posts) (Ref. 18111201)
[Appointment period: each for six months]

Duties

The appointees will assist the project leader in the research project - "The representations of Chinese non-professional subtitling communities in the print and social media: A corpus-assisted discourse analysis". They will be required to:

- (a) assist in conducting systematic search and literature review;
- (b) assist in building and annotating a corpus of media discourse; and
- (c) perform any other duties as assigned by the project leader or his/her delegates.

Qualifications

Applicants for the **Research Associate** post should have a master's degree in Linguistics or a related discipline.

Applicants for the **Research Assistant** post should have an honours degree in Linguistics or a related discipline.

Applicants for the **Research Technical Assistant** post should have a higher diploma or a diploma with at least three years of relevant post-qualification experience.

For all posts, applicants should also have:

- (a) some knowledge of data collection and annotation;
- (b) a good command of English and Chinese; and
- (c) the ability to work independently.

Preference will be given to those with programming skills and experience in building corpora.

Applicants are invited to contact Dr Zhiwei Wu at tel no. 2766 7434 or email zhiwei.wu@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
