THE HONG KONG POLYTECHNIC UNIVERSITY

SCHOOL OF NURSING

Post Specification

**Project Assistant** (Ref. 18122014)
[Appointment period: twelve months initially, with possibility of further appointment]

**Duties**

The appointee will assist the project leader in the research project - “Effects of a video-supported nurse-led advance care planning on end-of-life decision making among frail geriatric patients: a pragmatic randomized controlled trial”. He/She will be required to:

(a) assist in subject recruitment; and

(b) assist in data management and report writing.

**Qualifications**

Applicants should:

(a) have an honours degree in Health-related disciplines or an equivalent qualification;

(b) have a good command of both written and spoken English and Chinese; and

(c) be able to work independently.

Preference will be given to those with experience in conducting and coordinating research studies.

Applicants are invited to contact Dr Doris YP Leung at tel no. 2766 6423 or email doris yp leung@polyu ed u.hk for further information.

**Remuneration**

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
