

THE HONG KONG POLYTECHNIC UNIVERSITY
DEPARTMENT OF MECHANICAL ENGINEERING

Post Specification

Research Fellow (Ref. 19012304)
[Appointment period: twelve months]

Duties

The appointee will assist the project leader in the research project - “Understanding charge transport phenomena in photoelectrochemical storage cells for solar energy storage”.

Qualifications

Applicants should have a doctoral degree plus at least three years of postdoctoral research experience or equivalent qualifications and experience as well as the background of the preparation and synthesis of photocatalytic materials.

Preference will be given to those with experience in preparation and synthesis of photoelectrochemical materials.

Applicants are invited to contact Dr An Liang at tel no. 2766 7820 or email liang.an@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
