

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF APPLIED BIOLOGY AND CHEMICAL TECHNOLOGY

Post Specification

Research Associate (Ref. 19021904)

[Appointment period: ten months]

Duties

The appointee will assist the project leader in the research project - “Parallel target profiling of natural products by quantitative chemical proteomics”.

Qualifications

Applicants should have:

- (a) a PhD degree in Biology, Chemistry, Pharmacy or a related discipline;
- (b) a record of publications in peer-reviewed journals;
- (c) a good command of English; and
- (d) hands-on experience in protein science, such as protein expression and purification, and immunostaining.

Preference will be given to those who have experience in protein mass spectrometry.

Applicants are invited to contact Dr Zhao Qian at tel no. 3400 8711 or email q.zhao@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
