

THE HONG KONG POLYTECHNIC UNIVERSITY
DEPARTMENT OF MECHANICAL ENGINEERING

Post Specification

Research Assistant (three posts) (Ref. 19022208)

[Appointment period: one post for two months while another two posts for twelve months each]

Duties

The appointees will assist the project leader in the research project - “Investigation and optimization of porous coatings on the stabilization of hypersonic boundary-layer flows”.

Qualifications

Applicants should have an honours degree in Engineering or an equivalent qualification.

Preference will be given to those with experience in the application of computational fluid mechanics on hypersonic flow simulations and excellent skills in C/MPI programming on supercomputer clusters.

Applicants are invited to contact Prof. C. Y. Wen at tel no. 2766 6644, fax no. 2365 4703 or email chihyung.wen@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
