

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF APPLIED BIOLOGY AND CHEMICAL TECHNOLOGY

Post Specification

Postdoctoral Fellow / Research Associate (Ref. 19031102)

[Appointment period: twelve months initially, with possibility of further appointment]

Duties

The appointee will assist the project leader in the research project - "Protein drug discovery and development". He/She will be required to:

- (a) perform research task as required for the project;
- (b) write up research publications and grant proposals; and
- (c) perform any other duties as assigned by the project leader, Head of the Department, or their delegates.

Qualifications

Applicants for the **Postdoctoral Fellow** post should have a doctoral degree or an equivalent qualification in Biotechnology, Biological or Biomedical Sciences, or a related discipline, and must have no more than three years of post-qualification experience at the time of application.

Applicants for the **Research Associate** post should have a doctoral or master's degree in Biotechnology, Biological or Biomedical Sciences or a related discipline, plus at least two years of relevant post-qualification experience.

For all posts, applicants should also:

- (a) have good experimental skills and solid work experience in animal experimentation, tissue culture, cell and molecular biology techniques;
- (b) be highly motivated, committed and self-initiated with a strong sense of responsibility; and
- (c) have good interpersonal skills and be a good team player.

Preference will be given to those who have good writing skill and publication record.

Applicants are invited to contact Prof. Thomas Y. C. Leung at tel no. 3400 8661, fax no. 2364 9932 or email thomas.yun-chung.leung@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
