

# THE HONG KONG POLYTECHNIC UNIVERSITY

## SCHOOL OF NURSING

### Post Specification

**Research Assistant** (Ref. 19040802)

**[Appointment period: seven months]**

### Duties

The appointee will assist the project leader in the research project - "Development and validation of the typologies of response to adversities questionnaire (TRAQ)". This study aims at developing and validating a questionnaire to measure youth's responses to adversities. He/She will be required to:

- (a) coordinate and participate in the activities of the project;
- (b) assist in recruitment of participants, data collection and progress report writing;
- (c) prepare and manage project data;
- (d) provide administrative support to the project team; and
- (e) perform any other duties as assigned by the project leader or her delegates.

The appointee may be required to work off-campus or outside office hours.

### Qualifications

Applicants should:

- (a) have an honours degree in Nursing, Social Sciences, Psychology or other related disciplines or an equivalent qualification;
- (b) have a good command of both written and spoken English and Chinese;
- (c) have excellent organizational and communication skills;
- (d) have strong enthusiasm in research; and
- (e) be a good team player.

Applicants are invited to contact Dr Grace W. K. Ho at tel no. 3400 3918, fax no. 2634 9663 or email [grace.wk.ho@polyu.edu.hk](mailto:grace.wk.ho@polyu.edu.hk) for further information.

### Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
