

# THE HONG KONG POLYTECHNIC UNIVERSITY

## DEPARTMENT OF COMPUTING

### Post Specification

**Research Associate (two posts)** (Ref. 19041636)

**[Appointment period: each for six months initially, with possibility of further appointment]**

### Duties

The appointees will assist the project leader in the research project - “User intent classification for dialog systems via few-shot learning”. They will be required to assist in:

- (a) developing methods and implementing algorithms for intent analysis in dialog systems; and
- (b) preparing research papers and project reports.

### Qualifications

Applicants should have a master’s degree in Computer Science or related areas or a good honours degree with three or more years of research/relevant work experience.

Preference will be given to those with a strong publication record in related fields such as machine learning, natural language processing, data mining or computer vision.

Applicants are invited to contact Dr Xiao-ming Wu at tel no. 2766 7261 or email [csxmwu@comp.polyu.edu.hk](mailto:csxmwu@comp.polyu.edu.hk) for further information.

### Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
