

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF COMPUTING

Post Specification

Project Assistant (three posts) (Ref. 19041702)

[Appointment period: each for one month initially, with possibility of further appointment]

Duties

The appointees will assist the project leader in the research project - “User intent classification for dialog systems via few-shot learning”. They will be required to assist in:

- (a) conducting preliminary tests and studies; and
- (b) preparing project reports.

Qualifications

Applicants should have an honours degree or an equivalent qualification.

Preference will be given to those with research experience and publication record in related fields such as machine learning, natural language processing, data mining or computer vision.

Applicants are invited to contact Dr Xiao-ming Wu at tel no. 2766 7261 or email csxmwu@comp.polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
