

THE HONG KONG POLYTECHNIC UNIVERSITY

SCHOOL OF DESIGN

Post Specification

Part-time Research Assistant (Ref. 19041804)

[Appointment period: seven months initially, with possibility of further appointment]

Duties

The appointee will assist the project leader in the research project - “Users’ perception over walking aids use”. He/She will be required to:

- (a) assist in data preparation, collection, entry and analysis;
- (b) conduct literature review;
- (c) conduct field observations;
- (d) conduct interviews and transcribe all interview contents into English for data analysis;
- (e) conduct participatory workshops;
- (f) conduct both qualitative and quantitative data analysis;
- (g) write up research results and present the results to the stakeholders using English and Chinese; and
- (h) perform administrative tasks including liaising with stakeholders and managing research data.

Qualifications

Applicants should:

- (a) have an honours degree preferably in Social Sciences, Design or Health related disciplines or an equivalent qualification;
- (b) have strong interest in and knowledge of social design and healthcare;
- (c) have a good command of both written and spoken English and Chinese;
- (d) have experience in conducting qualitative data analysis, preferably by using NVivo software;
- (e) have strong enthusiasm in research and show initiative; and
- (f) be self-motivated, willing to learn, responsible, reliable, well-organized and detail-oriented.

Applicants are invited to contact Dr Tulio Maximo at tel no. 2766 6286 or email tperei@polyu.edu.hk for further information.

Remuneration

The remuneration rate is HK\$117 per hour.
