

THE HONG KONG POLYTECHNIC UNIVERSITY

SCHOOL OF NURSING

Post Specification

Research Assistant (Ref. 19050211)

[Appointment period: twelve to twenty-four months]

Duties

The appointee will assist the project leader in the research project - "A couple-based interpersonal psychotherapy on postnatal depression and family sense of coherence: a randomized controlled trial". He/She will be required to:

- (a) assist in managing the project;
- (b) collect and analyse quantitative and qualitative data;
- (c) conduct literature search;
- (d) assist in the preparation of abstracts, manuscripts and reports; and
- (e) perform any other duties as assigned by the Head of School, the project leader or their delegates.

Qualifications

Applicants should:

- (a) have an honours degree in Nursing, Social Sciences, Psychology or other related disciplines or an equivalent qualification;
- (b) have knowledge of research and skills in conducting qualitative and quantitative studies;
- (c) have knowledge of Microsoft Office and statistical computer software such as SPSS;
- (d) have a good command of both written and spoken English and Chinese;
- (e) have good interpersonal and communication skills; and
- (f) be able to work independently.

Applicants are invited to contact Dr F. W. Ngai at tel no. 2766 677, fax no. 2364 9663 or email vivian.ngai@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
