

THE HONG KONG POLYTECHNIC UNIVERSITY

SCHOOL OF NURSING

Post Specification

Research Assistant (Full-time / Part-time) (Ref. 19050212)

[Appointment period: seven months (full-time) / twelve months (part-time)]

Duties

The appointee will assist the project leader in the research project - “Could graduating nurses of the undergraduate programme embrace caring communication in palliative care? A mixed methods study”. He/She will be required to:

- (a) assist in general management of the project;
- (b) assist in systematic search and review of the literature;
- (c) assist in subject recruitment and various aspects of data collection;
- (d) assist in data analysis, drafting of reports and presentation of materials; and
- (e) liaise with participants and staff to facilitate study progression and management.

Qualifications

Applicants should have:

- (a) an honours degree in Health Care, Public Health, Psychology, Social Sciences or related disciplines or an equivalent qualification;
- (b) proficiency in SPSS and Microsoft Office software including Chinese word processing;
- (c) a good command of both written and spoken English; and
- (d) good interpersonal and communication skills.

Preference will be given to those with quantitative and qualitative research experience.

Applicants are invited to contact Dr E. Angela Chan at tel no. 2766 4131, fax no. 2364 9663 or email e.angela.chan@polyu.edu.hk for further information.

Remuneration

For full-time appointment, a highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.

For part-time appointment, the remuneration rate is HK\$117 per hour.
