

THE HONG KONG POLYTECHNIC UNIVERSITY

INSTITUTE OF TEXTILES AND CLOTHING

Post Specification

- (1) **Postdoctoral Fellow / Research Associate** (Ref. 19050606)
[Appointment period: six to twelve months initially, with possibility of further appointment]
- (2) **Research Associate / Research Assistant** (Ref. 19050607)
[Appointment period: six to twelve months initially, with possibility of further appointment]

Duties

The appointees will assist the project leader in the research project - “Exploring human-computer interaction and novel material applications in modern digital fabrication methods for wearable products”.

Qualifications

Applicants for the **Postdoctoral Fellow** post should have a doctoral degree or an equivalent qualification in Apparel Design/Product Development, Textile/Material Engineering or a related field, and must have no more than three years of post-qualification experience at the time of application.

Applicants for the **Research Associate** post should have a master’s degree in the aforementioned fields or a good honours degree in the afore-mentioned fields with at least three years of research/relevant work experience.

Applicants for the **Research Assistant** post should have an honours degree in the aforementioned fields.

Preference will be given to those who have research and practical experience in 3D CAD modeling, 3D CAD parametric modeling, and 3D printing for wearable product, or textile/material engineering.

Applicants are invited to submit their CVs and work portfolios/examples together with their completed application forms. Please contact Dr Lushan Sarina Sun at tel no. 2766 6446 or email sarina.sun@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
