

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF APPLIED SOCIAL SCIENCES

Post Specification

Research Assistant (Ref. 19053108)

[Appointment period: twelve months]

Duties

The appointee will assist the project leader in the research projects – “The temporal doppler effect: Disentangling the determinants of perceived temporal distance” and “Examining the effects of parental scaffolding on children’s metamemory skills”. He/She will be required to:

- (a) conduct literature review;
- (b) prepare programme materials and resources for the research projects;
- (c) liaise with organizations and/or schools for the recruitment of participants;
- (d) collect and analyse data; and
- (e) perform any other duties as assigned by the Head of Department or his delegates.

Qualifications

Applicants should:

- (a) have an honours degree preferably in Psychology or other related disciplines in Social Sciences, or an equivalent qualification;
- (b) have a good command of both written and spoken English and Chinese including Cantonese;
- (c) have good computer literacy including SPSS, with knowledge of EPrime being an advantage;
- (d) have a strong sense of responsibility; and
- (e) be able to work independently.

Applicants are invited to contact Dr E. H. Eunice Choy at tel no. 2766 5868, fax no. 2773 6558 or email eunice-e-hang.choy@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
