

THE HONG KONG POLYTECHNIC UNIVERSITY

SCHOOL OF DESIGN

Post Specification

Research Assistant (Ref. 19062105)
[Appointment period: twelve months]

Duties

The appointee will assist the project leader in the project - "Task force for redesigning School of Design". School of Design (SD) was established in 1964 and has gone through successful changes in responding to the development of the society. As the global environment is going through rapid changes, SD is facing a whole new wave of paradigm shift so-called the 4th Industrial Revolution. In order to cope with these changes, the School is setting up a taskforce team to identify challenging issues and redesign SD from a new vision. The appointee will be required to:

- (a) assist in conducting background study and literature review;
- (b) assist in data collection and data analysis;
- (c) provide support in maintaining documentation and preparing reports; and
- (d) perform any other duties as assigned by the project leader or his delegates.

Qualifications

Applicants should:

- (a) have a master's degree, preferably in Design or related disciplines, or a good honours degree in the said disciplines with three or more years of research/professional work experience;
- (b) have good computer literacy including MS Word, Excel and PowerPoint, with familiarity with design software being an advantage;
- (c) have a good command of both written and spoken English and Chinese; and
- (d) be self-motivated and able to work independently.

Applicants are invited to contact Dr Henry Ma at tel no. 2766 4739, fax no. 2774 5067 or email henry.ma@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
