

**THE HONG KONG POLYTECHNIC UNIVERSITY**

**DEPARTMENT OF REHABILITATION SCIENCES**

**Post Specification**

**Research Associate (Ref. 19072205)**

**[Appointment period: six months initially, with possibility of further appointment]**

**Duties**

The appointee will assist the project leader in the research project - “From prevention to community integration: Service models, intervention strategies, and outcome evaluation for recovery from severe mental illness in Chinese communities (Hong Kong and Beijing)”.

**Qualifications**

Applicants should have:

- (a) a master’s degree in Rehabilitation, Psychology, Cognitive Science, Neuroscience or health-related disciplines or a good honours degree in the said disciplines with three or more years of research/relevant work experience; and
- (b) a good command of both written and spoken English and Chinese.

Preference will be given to those with experience in conducting cognitive assessments and research in mental health, and hospital setting.

Applicants are invited to contact Ms Jillian Jingwen Zhou at tel no. 2766 3959 or email [jillian.zhou@polyu.edu.hk](mailto:jillian.zhou@polyu.edu.hk) for further information.

**Remuneration**

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
