

THE HONG KONG POLYTECHNIC UNIVERSITY

SCHOOL OF DESIGN

Post Specification

Research Assistant (Full-time/Part-time) (four posts) (Ref. 19080707)
[Appointment period: each for twenty months]

Duties

The appointees will assist the project leader in the research project - “Interactive content creation for emotional application with mixed reality enabled multiuser platform”.

Qualifications

Applicants should:

- (a) have an honours degree or an equivalent qualification; and
- (b) demonstrate a relevant portfolio related to software engineering, including information technology, computer science, computer engineering, and implementation of applications involved AR/VR with wearables and server side integration; OR demonstrate a relevant portfolio related to conducting, designing or developing applications targeted for children and AR/VR solution, including communication design, user experience/interface design, or coordinating and conducting field pilot.

Preference will be given to those with interest in user experience design, education for children with special needs, AR/VR wearable application design/development, or conducting primary research and analysis.

Applicants are invited to contact Dr Newman Lau at tel no. 2766 4345 or email newman.lau@polyu.edu.hk for further information.

Remuneration

For full-time appointments, a highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.

For part-time appointments, the remuneration rate is HK\$117 per hour.
