

THE HONG KONG POLYTECHNIC UNIVERSITY

INSTITUTE OF TEXTILES AND CLOTHING

Post Specification

Postdoctoral Fellow / Research Associate (Ref. 19080805)

[Appointment period: twelve months initially, with possibility of further appointment]

Duties

The appointee will assist the project leader in the research project - “Heat and mass transfer through fibrous materials”.

Qualifications

Applicants for the **Postdoctoral Fellow** post should have a doctoral degree or an equivalent qualification and must have no more than three years of post-qualification experience at the time of application.

Applicants for the **Research Associate** post should have a master’s degree or an equivalent qualification with at least three years of research/relevant work experience.

For the above posts, applicants should also have knowledge of and experience in theoretical modelling of heat and mass transport through fibrous material.

Applicants are invited to contact Prof. J. T. Fan at tel no. 2766 6472 or email jintu.fan@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
