

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF BIOMEDICAL ENGINEERING

Post Specification

Physiotherapist (Ref. 19080813)

[Appointment period: twelve months initially, with possibility of further appointment]

Duties

The appointee will be appointed at the substantive level of Project Associate. He/she will assist the project leader in the project - "Improvement of posture awareness and management of adolescent idiopathic scoliosis (AIS)". He/she will also work closely with the Project Manager and other project staff members to support project implementation, and be required to:

- (a) deliver educational talks;
- (b) conduct school children screening and teach school children posture strengthening exercises;
- (c) liaise with family doctor, orthopedist and prosthetist-orthotist on patient cases;
- (d) provide patient consultation and assessment;
- (e) provide physiotherapies to the patients with spinal deformities;
- (f) provide follow-up service and progression monitoring; and
- (g) advise and attend mutual support group activities for the patients and their parents.

Qualifications

Applicants should:

- (a) have a master's degree or a good honours degree with at least three years of relevant work experience;
- (b) have substantial clinical experience in physiotherapy for patients with posture disorders and adolescent idiopathic scoliosis (AIS);
- (c) have a good command of both written and spoken English;
- (d) have the ability to work independently; and
- (e) be responsible, adaptable and a good team player in interdisciplinary settings.

Applicants are invited to contact Dr M. S. Wong at tel no. 2766 7680 or email m.s.wong@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
