

THE HONG KONG POLYTECHNIC UNIVERSITY
DEPARTMENT OF MECHANICAL ENGINEERING

Post Specification

Research Assistant (Ref. 19083002)
[Appointment period: six months]

Duties

The appointee will assist the project leader in the research project - "Panel silencing device for environmental noise control". The main task of this project is to develop a system to control noise and vibration.

Qualifications

Applicants should have an honours degree or an equivalent qualification. They should also have sufficient knowledge of acoustics and vibration.

Applicants are invited to contact Dr Y. S. Choy at tel no. 2766 7813 or email mmyschoy@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
