

THE HONG KONG POLYTECHNIC UNIVERSITY

SCHOOL OF OPTOMETRY

Post Specification

Postdoctoral Fellow / Research Associate / Research Assistant (Ref. 19090509)

[Appointment period: twelve months initially, with possibility of further appointment]

Duties

The appointee will assist the project leader in the research project – “Retinal EGR1 cells in myopia development”. He/She will be required to:

- (a) perform common laboratory procedures such as animal handling, cell culture, immunohistochemistry, western blot, qPCR, confocal microscopy, etc.;
- (b) prepare manuscripts and project proposals;
- (c) assist in training postgraduate students; and
- (d) perform any other duties assigned by the project leader or his/her delegates.

The appointee may be required to work on Saturdays/Sundays/public holidays.

Qualifications

Applicants for the **Postdoctoral Fellow** post should have a doctoral degree in Biological Science, Ophthalmology or Optometry or an equivalent qualification and must have no more than three years of post-qualification experience at the time of application.

Applicants for the **Research Associate** post should have a master’s degree in one of the said disciplines or a good honours degree in one of the said disciplines with at least three years of research/relevant work experience.

Applicants for the **Research Assistant** post should have an honours degree in one of the said disciplines or an equivalent qualification.

Applicants are invited to contact Dr Dennis Tse Yan-yin at tel no. 2766 6096, fax no. 2764 6051 or email dennis.tse@polyu.edu.hk for further information.

Remuneration

A highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.
