

THE HONG KONG POLYTECHNIC UNIVERSITY

SCHOOL OF NURSING

Post Specification

Research Assistant (Full-time / Part-time) (Ref. 19092304)

[Appointment period: twelve months]

Duties

The appointee will assist the project leader in the research project - “A multicentre randomized controlled trial of the effectiveness of a lifestyle intervention programme using mobile application vs booklet for adults with metabolic syndrome”. He/She will be required to:

- (a) assist in the general management of the project;
- (b) assist in the recruitment of participants and data collection for the study;
- (c) assist in data management and data analysis;
- (d) assist in the preparation of reports, literature review and presentation materials; and
- (e) perform any other duties as assigned by the Head of School, the project leader or their delegates.

Qualifications

Applicants should:

- (a) have an honours degree in Nursing, Psychology, Social Work, Statistics or other health-related disciplines or an equivalent qualification;
- (b) have good command of both written and spoken English and Chinese;
- (c) have good computer literacy including SPSS, MS Word, Excel and PowerPoint;
- (d) have good interpersonal and organizational skills; and
- (e) be able to work independently.

Applicants are invited to contact Dr Eliza Wong at tel no. 2766 6544 or email eliza.wong@polyu.edu.hk for further information.

Remuneration

For full-time appointment, a highly competitive remuneration package will be offered. Applicants should state their current and expected salary in the application.

For part-time appointment, the remuneration rate is HK\$117.
