

THE HONG KONG POLYTECHNIC UNIVERSITY

SCHOOL OF NURSING

Post Specification

Project Associate or Project Assistant (Ref. 96337)

[Appointment period: twelve months]

Duties

The appointee will provide support to the project leader in the project - “The unforgiving minute: the influence of time on nurses’ caring practice in Hong Kong”.

Qualifications

Applicants should have:

- (a) a master’s degree in Nursing/Health Care OR an honours degree with at least three years’ relevant post-qualification experience;
- (b) research experience in qualitative studies;
- (c) good co-ordination skills; and
- (d) good record in writing research reports.

Preference will be given to those with an understanding in the use of software for qualitative analysis.

Applicants with lesser relevant experience will be considered for the post of Project Assistant.

Applicants are invited to contact Dr E. Angela Chan at tel no. 2766 4131, fax no. 2364 9663 or email hseachan@inet.polyu.edu.hk for further information.

Remuneration

Salary offered will be commensurate with qualifications and experience. Applicants should state their current and expected salary in the application.
