

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF INDUSTRIAL AND SYSTEMS ENGINEERING

Post specification

Scientific Officer / Assistant Scientific Officer or Technical Officer / Assistant Technical Officer
[Appointment period: twelve months] (Ref. 96537)

Duties

The appointee will be required to:

- (a) conduct laboratory classes involving the use of design software and hardware in the Digital Factory;
- (b) support users of the Factory;
- (c) assist in overseeing the development and maintenance of the Factory, including teaching materials of software and hardware;
- (d) support academic and industrial research in product design;
- (e) demonstrate facilities of the Factory to guests and visitors; and
- (f) perform any other duties as assigned by the Head of Department or his delegates.

Qualifications

Applicants should have:

- (a) a recognised degree plus five or more years of relevant working experience; and
- (b) extensive specialist/formal training and/or supervisory experience.

Applicants with lower qualification and less experience will be considered for appointment at Assistant Scientific Officer / Assistant Technical Officer level.

Remuneration

Salary offered will be commensurate with qualifications and experience. Applicants should state their current and expected salary in the application. There may be opportunities of long term appointment afterwards.
