

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF COMPUTING

Post Specification

Assistant Technical Officer (several posts) [Re-advertisement] (Ref. 97248)
[Appointment period: twelve months]

Duties

The appointees will be responsible for:

- (a) supporting and overseeing the overall operations of the student computer laboratories in the department;
- (b) installing and managing computer software, hardware and virtual reality equipment for student projects and assignments;
- (c) teaching and learning support activities such as software demonstrations and supervision of students during laboratory sessions;
- (d) developing programs; and
- (e) performing any other duties as assigned by the Head of Department or his delegates.

Qualifications

Applicants should have:

- (a) a recognised degree in Computing, Information Systems, Information Technology or a related field;
- (b) good programming and software development skills; and
- (c) good communication and interpersonal skills.

Preference will be given to those who are familiar with the following programming languages and software: C++, Java, Maya and 3D Max.

Applicants are invited to contact Dr Simon Shiu at tel no. 2766 7299, fax no. 2170 0129, or email csckshiu@comp.polyu.edu.hk for further information.

[Applicants who have responded to the previous advertisement on 26 July 2008 need not re-apply.]

Remuneration

Salary offered will be commensurate with qualifications and experience. Applicants should state their current and expected salary in the application.

19 August 2008
