

THE HONG KONG POLYTECHNIC UNIVERSITY

DEPARTMENT OF COMPUTING

Post Specification

Research Assistant (Ref. 98022)

[Appointment period: six months initially, with possibility of further appointment]

Duties

The appointee will assist the project leader in the project - "Clustering web search results". He/She will be required to assist in literature search, algorithm design, implementation and experimental evaluation in the research areas related to data mining and the said project.

Qualifications

Applicants should have an honours degree in Computer Science, Information Technology or a related field. Preference will be given to those with a strong background in data mining, mathematics and programming.

Applicants are invited to contact Dr Edward Hung at tel no. 2766 7288, fax no. 2774 0842 or email csehung@comp.polyu.edu.hk for further information.

Remuneration

Salary offered will be commensurate with qualifications and experience. Applicants should state their current and expected salary in the application.
