

## Tourism Research: a 20-20 vision

Doug Pearce and Dick Butler are pleased to advise that the volume they edited containing papers presented at the Academy's 20<sup>th</sup> Anniversary meeting in Mallorca will be published by Goodfellows on March 5. The editors would like to thank the publishers and all the contributors for their assistance in getting the book out in a timely fashion. Pauline Sheldon 'launched' the book during her keynote address at the recent CAUTHE conference in Australia.

Containing state of the art reviews of a series of major themes in tourism research, *Tourism Research: a 20-20 vision* will be an important showpiece of the Academy's scholarship and will appeal to a wide readership. Contributors and Fellows are asked to consider ways in which they might now promote the volume. In addition to ordering library copies, those organizing and attending conferences, for example, might distribute flyers. Editors or review editors might request review copies and expedite the timely publication of reviews. In both cases please contact Sally North at Goodfellows: [sally.north@goodfellowpublishers.com](mailto:sally.north@goodfellowpublishers.com)

Contributors will shortly receive a complimentary copy. A 15% discount is available to Academy Fellows when quoting the code Acad02 and ordering direct from [www.goodfellowpublishers.com](http://www.goodfellowpublishers.com). This offer is valid until 1 April 2010. To order: order online at [www.goodfellowpublishers.com](http://www.goodfellowpublishers.com) or email [customerservice@goodfellowpublishers.com](mailto:customerservice@goodfellowpublishers.com). The book will also be available from all good book stores and online retailers including Amazon and Blackwell.co.uk.
