

Department of Mechanical Engineering (ME) – Credit Transfer Summary

Credit Transfer

The ME departmental guidelines are as follows:

- Granting of credit transfer is mainly based on the subject contents and the learning outcomes attained.
- The subject contents attained should be at least 75% similar to the PolyU subjects of a similar level, credits and contact hours.
- The subject grade/mark achieved should be B+ / 75 or above.

Entry Credit Transfer

Qualifications background	Entry Credit Transfer
Higher Diploma (HD) / Associate Degree (AD) graduates	ME would normally grant entry credit transfer of 15 Discipline-Specific Requirements (DSR) credits to HD/AD graduates.

The granting of credit transfer is a matter of academic judgement. Information stated above is for reference and subject to review and changes.
