Research Workshop on Employee Creativity

By

Prof. Onne Janssen
University of Groningen, The Netherlands

Date: Friday, 8 October 2010
Time: 9:30 a.m. - 12:30 p.m.
Venue: M802

All interested are welcome
Research Workshop on Employee Creativity

Workshop Outline

I will introduce the topic of employee creativity within 5 - 10 minutes after which students form 2-3 person teams that are expected to develop and conceptualize research models focused on examining creativity issues and, if possible, related to their own research topics. In the final hour of the workshop, the student teams present their developed research models to one another.

Students should study the paper below before attending the Workshop:

C.E. Shalley et al. / Journal of Management 2004 30(6) 933-958
