

D3. Areas of Excellence Committee **卓越學術領域委員會**

Terms of Reference

1. To advise the Deputy President and Provost (DP) on all matters relating to the development of Areas of Excellence (AoEs) and Research Institutes (RIs) in the University.
2. To develop and continually review strategies for the promotion and development of AoEs and RIs.
3. To monitor progress and to develop appropriate mechanisms for the review and monitoring of AoEs and RIs.
4. To consider applications for research endeavours and funding schemes administered by the Committee from Faculties/Schools and Departments, and approve funding allocations, as appropriate.
5. To advise the DP on research funding schemes administered by the Committee and to regularly monitor the progress of these endeavours and funding schemes.
6. To prepare reports required from the UGC or other external agencies relating to the activities administered by the Committee for submission by the President or his nominee.
