

C14. Strategic Academic Appointments and Development Committee
策略學術聘任與發展委員會

Terms of Reference

1. To formulate and review policies related to strategic appointments and other strategic academic development initiatives/schemes (referred to as schemes only hereafter) of the University.
2. To initiate and oversee the implementation of such strategic academic schemes at various levels.
3. To decide the allocation of financial resources for strategic academic schemes and withdrawal of such resources from academic/non-academic units for re-allocation when necessary and appropriate.
4. To engage actively in the pursuit of outstanding candidates for strategic appointments and to approve their direct appointment or appointment via a simplified procedure where necessary and appropriate.
5. To provide advice to the President as deemed necessary on proposals of retirement age extension for academic, teaching and clinical staff.
6. To consider and decide on matters relating to new appointments and re-appointments under the Endowed Professorship Scheme and the Endowed Young Scholars Scheme.
7. To provide advice on all other matters relating to strategic academic issues referred to it by the President.
