

A Bad Padlock Invites a Picklock

To better safeguard your property, all locker users are suggested to observe the following security tips:

(1) Prepare a strong padlock for your locker. Combination locks are NOT recommended.

(2) Keep your locker locked at all times.

(3) Do not put any valuable belongings in the locker. E.g. cash, purse, notebook, etc.

In case of theft, students are required to report to Campus Security Control Centre
